

Overview

The extensive usage of the CHEP Standard Wooden Pallet across a number of industry sectors provides for low cost and seamless unit load movements within and between customer supply chains.

Our hire pallet service also benefits customers because of our acceptance of responsibility for maintaining pallet quality standards, and our commitment to ensuring pallet stocks adequately meet customer needs.

Freed from concerns about these issues, customers can focus on their core business activities such as product manufacturing, transport, distribution and warehousing services.

Features and Benefits

- International acceptance (ISO) 1200 x 1000 mm
- Four-way entry
- Repair and maintenance via CHEP's nationwide service centre network
